The records of this town prior of about the year 1800 are in a very confused State I have spent about two days time in looking up and copying the foregoing & it is very possible I may have overlooked some which relate to the subject. I think however I have got all. or nearly all. which is of importance

S. P. Hagg

Fees $2.00 I suppose this to be a proper charge against the State but do not know- - ———
